

OUR FELLOWS

In 1994, the CBF established the James W. Cooper Fellows Program to involve outstanding lawyers, judges, and professors of law in promoting a better understanding of the legal profession and the judicial system among the citizens of Connecticut.

By increasing access to legal counsel for low income people, educating the legal community and the public about the legal profession and the rule of law, and supporting projects that document and preserve legal history, the CBF leverages the skills of the Fellows and the bar to improve the understanding of the administration of law for the legal community and the people of our state.

If you are dedicated to fighting for fairness and justice and you're looking for ways to leave a legacy to continue your commitment, consider making a gift to the Connecticut Bar Foundation. With its storied history of improving access to justice for all and helping the public to better understand the important work lawyers and judges perform for society, your gift will be appreciated by those we help and honor.

WHY DONATE TO THE CONNECTICUT BAR FOUNDATION

Your gift to support the CBF's civil legal assistance programs will help to deliver critically needed legal representation in a broad spectrum of areas and provide stability and protection to Connecticut's most vulnerable populations:

- Children
- Homeless
- Victims of abuse and violence
- Elderly
- Veterans
- Immigrants
- Disabled

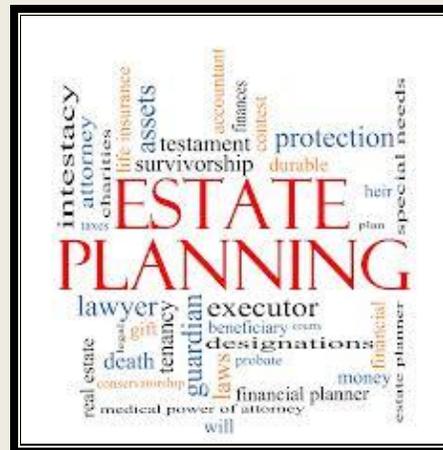

Your donation to support the CBF's educational mission will help us to continue producing original and unique programs and projects of the highest quality that:

- promote a better understanding of the administration of justice and the role of law in our society
- preserve legal history for future generations.
- provide a forum to explore issues of concern to the legal profession

The government encourages charitable giving by allowing generous tax deductions that actually serve to reduce the cost of a gift or enable the donor to make a more generous gift.

For this reason, we urge all prospective donors to consult his or her attorney or tax advisor regarding the most current rules and methods of giving.
